

The Mothers Milk Bank of Florida & Medela are proud to present:

Without the donors,
there would be no milk.

DONOR MILK:

The documentary

Through the eyes of grieving and giving mothers, **DONOR MILK:** The documentary seeks to educate viewers on the absolute importance of breastfeeding our babies and provides options for those who cannot to locate human milk. The film visits non-profit Human Milk Banking Association donor centers all across the United States, the for-profit corporation that has developed the first-ever human milk fortifier, and the hundreds of donor moms and families whose stories will touch and change the lives of all viewers.

The \$25 ticket includes a viewing of the 50 minute documentary and a one-hour Q&A session featuring filmmaker Jarred King, Karen Kesler, RN, BSN (Executive Director of Mothers' Milk Bank of Florida), Neonatologists, as well as a donor of breast milk and recipient of donor milk. Proceeds from the night's event benefit the Mothers' Milk Bank of Florida.

Continuing Education Credits Available: At no additional charge, Medela will provide credit from the CA Board of Registered Nursing and the Commission of Dietetic Registration for nurses and dieticians attending the screening event. (Visit www.medelaeducation.com, *What's New* for more details)
