

ACTIVITIES OF OUR COALITION:

Supporting Moms in the Community:

- ♥ Resources for returning to work and how to talk to an employer.
- ♥ Support at local events: festivals, fairs, etc.
- ♥ Information booths at health fairs
- ♥ Information handouts about mom support groups in the area.
- ♥ Information about breastfeeding-friendly businesses.

Educating the Community:

- ♥ Speakers for community groups about the benefits of supporting breastfeeding in business and the community
- ♥ Resource for businesses to support breastfeeding as a cost-effective healthcare measure for employees and customers.

Educating Health Professionals about how to support breastfeeding in their practices:

- ♥ Continuing education
- ♥ Pamphlets and resources list for providers to give to moms, instead of those provided by artificial milk suppliers.
- ♥ Information on new research findings

Advocacy to local, state and federal government:

- ♥ Encourage breastfeeding support and promote legislation to support moms and family-friendly initiatives.

REASONS TO BREASTFEED:

- ♥ Breastmilk is FREE, and READY when baby is hungry, no preparation needed - save over \$1400/yr. without formula.
- ♥ Breastfeeding is green & environmentally-friendly.
- ♥ Breastmilk is nutritionally balanced and is the perfect food!
- ♥ Breastfed babies are less likely to get sick with acute infections and chronic illness: asthma, diabetes, cancer later on in life.
- ♥ Breastfeeding protects infants against food allergies.
- ♥ Breastfeeding decreases the risk of SIDS death.
- ♥ Breastfed children have higher IQ's
- ♥ Antibodies in breastmilk change to meet babies' needs as they grow.
- ♥ Breastfeeding strengthens tooth and mouth development.
- ♥ Breastfeeding does not cause sagging breasts.
- ♥ Breastfeeding helps mom get back to pre-pregnant weight.
- ♥ Women who breastfeed for longer than six months have less breast cancer, stroke and heart disease.
- ♥ Breastfeeding decreases the risk of osteoporosis

Emerald Coast Alliance for Breastfeeding Support Membership Pledge

By signing this pledge, I affirm that I wish to have membership in the Emerald Coast Alliance for Breastfeeding Support. I agree to support the Mission of ECABS to improve community health, by providing collaboration, education, and resources for the support, protection, and promotion of breastfeeding on the Emerald Coast. I recognize that I will have a responsibility to assist other members of the coalition in achieving the stated goals. I will work to promote the collaborative activities of the Alliance. If I have chosen an Alliance membership, I recognize that I will have voting privileges as long as I am a member in good standing.

SUPPORT BREASTFEEDING IN YOUR COMMUNITY:

- ♥ Join us as we strive to make breastfeeding more accepted and supported in our area, among our friends, and in businesses we support
- ♥ Invite your friends to get involved. Anyone interested in promoting breastfeeding can be a member.
- ♥ Get informed about the benefits of breastfeeding and the risks of formula... talk about it. Educate those you know.
- ♥ Volunteer to help us in local activities to promote breastfeeding: mother support at local events, festivals, and fairs.
- ♥ Attend our Business Case for Breastfeeding Training sessions to be prepared and have the resources to contact local businesses to encourage breastfeeding support of their employees and improve their own Return on Investment.

Emerald Coast Alliance for Breastfeeding Support is affiliated with the Florida Breastfeeding Coalition for the purpose of supporting families in Florida.
